Abortion "Abolition"

Original Bill: [HB1682](#) **Amended Bill:** **Sponsor:** Rep. Burt Whaley (R)

Description: Establishes the "Missouri Prenatal Equal Protection Act".

Position: Oppose

MCC Statement: While the bill seeks to "abolish" abortion in Missouri, it would subject a woman who has an abortion to criminal prosecution and potential imprisonment. The laws we advance to protect unborn children should do no harm to their mothers. In most, if not all cases, these women are abortion's second victim. Our focus should be on helping post-abortive women receive care, healing, and forgiveness, not subjecting them to criminal penalties. This compassionate approach to post-abortive women has also been the approach of the pro-life community at large. Just prior to the release of the 2022 *Dobbs* decision that overturned *Roe v. Wade*, 75 pro-life leaders signed an open letter to state lawmakers urging them to oppose legislation that would criminalize or punish women for obtaining an abortion. 01/30/26
